## Kimberlee Samberson

Senior Peer Support Specialist - RUHS

Ms. Samberson works with the RUHS-Behavioral Health Homeless Housing Opportunities, Partnership & Education (HHOPE) Program which manages, coordinates, and monitors all programs providing housing support services. Ms. Samberson has worked in Riverside County for 10+ years and 7 of those years she has dedicated to the HHOPE Program. As a Senior Peer Support Specialist, Ms. Samberson is devoted to her work and supportive of all vulnerable folks she engages. Ms. Samberson is an amazing and fun individual with a great sense of humor!

## Resources for Vulnerable Populations

The CoC has partnered with RUHS-BH to provide direct service providers with an overview of resources for clients in need of mental health services. RUHS-BH will also provide attendees with effective client engagement tools. The CoC will present about community resources and information about agencies serving Riverside County's vulnerable populations. Session attendees will gain a better understanding of available resources that can assist them in serving high barrier clients within their community.
