Empowering Nonprofits in District 2: Unveiling Opportunities for Recovery and Growth

- **Funding Objective:** The objective of this funding is to provide nonprofit organizations serving within District 2 with the necessary help to not only build capacity but to also recover from the aftermath of the COVID-19 pandemic.
- **Focus of the Second Round:**
- This upcoming round aims to provide financial support to nonprofit organizations that were unable to receive funding during Round 1.

Riverside County Nonprofit Assistance Fund

The Riverside County Nonprofit Assistance Fund (RCNAF) was established to continue the County's efforts to strengthen, expand, and support the local nonprofit sector to amplify their philanthropic roles which have played a critical role in the pandemic response.

Three Funding Opportunities:

1. Direct Financial Support and Assistance
2. Programmatic Funding
3. Technical Assistance Grants

Inland SoCal United Way

Direct Financial Support and Assistance Grants

Click to Access Application
This category of assistance is specifically designed to address negatively or disproportionately impacted non-profit organizations under the following criteria:

Impacted Nonprofits:
Decreased revenue (e.g., from donations and fees)
Financial Insecurity
Increased costs (e.g., uncompensated increases in service needs)
Capacity to weather financial hardship
Challenges covering payroll, rent, or mortgage, and other operating costs

Disproportionately Impacted Nonprofits:
Defined as nonprofits operating in qualified census tracts. Qualified Census Tracts (QCTs) are areas where 50% or more of the households have incomes below 60% of the area median income, or where the poverty rate is 25% or higher.

Section 42 of the Internal Revenue Code defines them and further restricts the total population of designated QCTs to 20% of area population.

Don't know your census tract? Find link to census tracts below.

Technical Assistance Grants

Click to Access Application
Technical Assistance will be provided through the Regional Access Project Foundation (RAP) to Riverside County nonprofits, distributed equally amongst the county's supervisorial districts, to gain specialized services or skills to operate more effectively, strengthen sustainability, build capacity by leveraging financial resources, and improve core operations.

Technical assistance will be individualized to the needs of organizations and will be provided for the following categories: Fundraising/Events, Financial Budgeting, Grant Writing Board Development, Strategic Planning, and Financial Sustainability of Organization.

Preference will be given to nonprofit organizations whose operating budgets under \$1 million.

Inland Empire Community Foundation
where giving grows

Programmatic Funding Grants

Click to Access Application
This category of assistance is designed to financially support programming and services for disproportionately impacted communities including those communities with low Healthy Places Index (HPI) scores to advance the County's HPI goals and initiatives. The agencies that receive programmatic funding for an eligible activity, will align with the County's goal to increase HPI scores and/or have demonstrated progress.

Programmatic Assistance will prioritize nonprofit organizations who are ineligible for direct assistance and who are responding programmatic to the following ARPA-eligible impacts:

Unemployment, Increased food or housing insecurity, Negative impacts on public health, Negative impacts on mental health (e.g., suicide prevention, substance use, depression, anxiety, etc.), Violent crime and gun violence prevention and education, Disruptions in childcare, and early learning centers, Child welfare and foster care system, and Educational disparities such as loss of instructional time and/or learning loss.
